September Events at the Modesto Library

The Modesto Library will offer free activities and informational programs this September, beginning with LEGO programs on Mondays at 3:30 p.m. Children of all ages will have the opportunity to build LEGO displays for the library. Duplo blocks will be available for children under the age of 4, however they must have direct parental supervision. LEGO programs help children develop fine motor skills while encouraging them to think creatively.

Gordon Little, Jr. from Farmer's Insurance will give a free presentation on Theft Prevention on Wednesday, Sept. 9 at 6 p.m. Participants will learn strategies to prevent home invasion, as well as what to do in the event of loss. This program is sponsored by the Friends of the Modesto Library.

The library will host "Color Yourself Calm: Coloring for Grown Ups" on Saturday, Sept. 19 at 1 p.m. Coloring has been proven to help relieve stress and spark creativity. The library will provide coloring sheets designed for adults as well as colored pencils and crayons. Light refreshments will also be available. "Color Yourself Calm" is sponsored by the Friends of the Modesto Library.
