Teen Games at the Patterson Library

Teens ages 13- 18 can participate in an afternoon of fun at the Patterson Library on Wednesday, Sept. 18 at 4 p.m. During this event, participants can learn tactics and teamwork while playing fun Wii, board, and card games. A fun duct tape craft will also be available. Participating in this program provides teens an opportunity to interact with their peers and learn about the wonderful programs the Stanislaus County Library offers. Young adult novels will also be on display and available to check out during the event.
