Turlock Library to host themed escape room experience for children

Children will have the opportunity to attempt an “escape” from the house of the Three Bears

Children are invited to participate in a fairy tale-themed escape room at the Turlock Library on Saturday, Nov. 10. Participants will attempt to escape from the Three Bears’ house after being “locked in” by Goldilocks.

Ages 8 to 12 can search for clues and solve puzzles in order to “escape” back to the library before the Three Bears return. There will be an escape room session at 11 a.m., 1 p.m. and 2:30 p.m.

“Escape rooms are popular and sound fun, but until you participate in one, you don’t realize just how much they will enhance your communication, problem solving, and social skills,” said Diane Bartlett, Turlock Library supervisor. “We developed an escape based on the fairy tale theme because we thought it would be a familiar topic for many of the participants.”

Advance registration is required for all three sessions, as space is limited. Please call the library at 209-664-8100 to sign up. This event is sponsored by the Friends of the Turlock Library.

The Turlock Library is located at 550 Minaret Ave. Information on regularly occurring programs can be found at www.stanislauslibrary.org under the “Events and Classes” tab.
